

Energy-Saving Abatement System with Electric Heaters

■ Since 1993 – More Than 30 Years of Successful Installations

KT1000 Series

Dimension

Model	W(mm)	D(mm)	H(mm)
KT1000M	900	900	1900
KT1000MFH	1050	1100	1900
KT1000MFH-SQ	2000	855	1850

Features

- 1 Energy-saving thermal oxidation using electric heaters
- 2 Patented dual-scrubber system
for superior treatment performance
- 3 Flame-free operation with no direct CO₂ emissions
- 4 Multi-port design for multiple chamber connections
